Table of Contents

simple
A beamer theme

simple is a minimalist Beamer theme that features

▶ a watermark logo in the background

▶ slide numbers

▶ *emph*asized and alerted text

And of course...
blocks, columns, and all Beamer power

watermark

not only for images

▶ You can place *any* LATEX contents as a watermark

In preamble

```
\setwatermark{\includegraphics[height=8cm]{%
                img/Heckert_GNU_white.png}}
```

Just before this frame

```
\setwatermark{\fontsize{125pt}{125pt}%
                \selectfont{Simple}}
```

Table of Contents

Options

Fine adjustement of the watermark position

▶ `hoffset`

▶ `voffset`

They admit any *positive* or *negative* spacing unit

Note that some warnings about *badboxes* might be generated at compilation
